S. SAHAY

Iron and Steel Controller

Clause VII—agents' Commission :—

Delete the existing clause and substitute the following revised provisions :—

Prior to placing orders on U.S. Suppliers the importer should ascertain whether the supplier has an agent in India and whether any commission to that agent will be involved. Where the Prices include commission for the agent in India, the Importer shall provide in the contract with U.S. Supplier that the commission will be payable to the agent in Rupees through the Importers' Bankers in India. This commission, although payable in rupees in India, will be duly taken into account against the value of the imports authorised under the import licence concerned; an equivalent amount will not therefore be available for additional Imports under the Individual licence.

To Secure that only the net price (after deducting the Agents' commission) is paid to the supplier by the U.S. Bank and the commission is paid to the Agents in rupees in India, the following procedure should be followed :—

(A) Private Sector Firms :

In the contract with U.S. Supplier and the commercial letter of credit opened clearly stipulated that two sets of detailed commercial invoices be submitted by the supplier to U.S. Banks when seeking payment under letter of credit. The first set of invoices should show only the gross sales amount and should be placed in a sealed cover addressed to the "Importer". The second

set of invoices should show only the net price plus agents' commission and the gross sale amount; name and address of the Agent in India to whom payment is to be made, should also be indicated. The second set should be accompanied by the original suppliers certificate, AID Form 281 and should be marked "For AID and the Govt. of India".

In cases where no agents' commission is involved, the invoice must be accompanied by a certificate from the supplier in the form prescribed by AID, Washington to the effect that no agents' commission is included in the invoice.

The Indian Banks should :—

- (a) Collect from the Indian Importer the cost of imports in Rupees on the basis of the gross invoices at the rate of Rs. 759.50 for \$ 100.00 and give the importer the sealed Cover addressed to the Importer.
- (b) Make commission payments to agents in India on the basis of the invoice showing net price. Commission and gross amount marked for "For AID and Govt. of India" within 15 days of receipt of documents from U.S. Banks at the rate of exchange prevailing on the date, payment is made to the U.S. Supplier by the U.S. Bank. This payment must be made after obtaining a certificate from the agent in India to the effect that :—
 - (i) he has performed services in India constituting a direct and substantial contribution towards securing the sale of the commodity-related service financed by AID hereunder;
 - (ii) has performed such service in India; and
 - (iii) maintain a regular place of business in India.

After payment to the Agent in India in Rupee, the balance of the amount collected from the Importer *vide* (a) above, should be deposited into Govt. account at the Reserve Bank of India, New Delhi, or the State Bank of India, Delhi or remitted by means of a Demand Draft drawn in favour of the A.G.C.R., New Delhi, on the State Bank of India, New Delhi and one set of documents containing this invoice along with the challan in original should be forwarded to Iron & Steel Controller, 33, Netaji Subhas Road, DLF Credit Cell, Calcutta-1. In case of deposits through demand drafts, the draft should be sent to the A.G.C.R., New Delhi giving him full particulars of the transactions under advice to the Iron & Steel Controller, DLF Credit Cell, 33, Netaji-Subhas Road, (India Banks handling the invoices must carefully followed the instructions to ensure that payments are correctly made to agents in India).

(c) Ensure that letters of credit clearly indicate that agents' commission, other than commissions to agents in India paid by U.S. suppliers, should conform to the provisions of the letter of Commitment and AID regulation I.

(B) Public Sector Firms/Govt. Importers :

In the contract with the U.S. supplier and the commercial Letter of Credit opened subsequently in his favour, it should clearly be stipulated that the suppliers commercial invoice is to be made out for the gross value of the shipment (which amount is not to exceed the amount of the credit) and must

- (i) show a deduction of the amount of commission paid to his foreign sales agent, or
- (ii) bear a signed certification by the supplier to the effect that no foreign sales agents' commission is included in the invoice.

In the case of B(i), the U.S. Supplier shall receive payment only for the net amount of the invoice after deduction of the amount of the commission.

The Indian Bank should (a) collect from the Indian Importer the total cost of imports, but excluding commission to Agents in India if any at the Reserve Bank of India's monthly average dollar Rupee rate (applicable to the month of disbursement by AID to the U.S. Bank) and deposit it to Govt. account at New Delhi/Delhi or Reserve Bank of India/State Bank of India, Govt.

Treasury, under intimation to the Iron & Steel Controller, DLF Credit Cell, 33 Netaji Subhas Road, Calcutta.

(b) Collect from the Indian Importer the cost of commission to agent in India indicated in the suppliers invoice if any, at the rate of exchange prevailing on the date of payment if made to the U.S. Supplier and pay the amount in rupees to the agent in India within 15 days after receipt of suppliers invoice. This payment must be made after obtaining a certificate from the agent in India to the effect that—

- (i) he has performed services in India constituting a direct and substantial contribution towards securing the sale of a commodity or commodity related service financed by AID hereunder;
- (ii) has performed such services in India; and
- (iii) maintain a regular place of business in India.

Clause X—Documentation :

Delete the existing clause (X) and substitute the following :—

Ordinarily, letters of credit will be opened with approved U.S. Banks holding the letter of commitment for paying the suppliers for Goods delivered. The Importer is responsible that the supplier is informed regarding his responsibility in completing and submitting the following documents to the U.S. Bank at the time that the supplier claims payment for the delivered goods. Each document should indicate the AID loan number shown in the Import Licence (Further details of documentation requirements is contained in annexure—V).

(A) Suppliers' Invoice :—

The regular commercial invoice should be in two sets as below :—

- (a) One set showing quantity detailed description, gross sales price net sales price (after deducting discounts etc. other than commission to Agents in India) and basis of delivery (i.e. C&F, CIF, FAS) of the goods. If goods are shipped from a Free port or bonded Warehouse, the invoice should be indicated.
This set should be placed in a sealed cover addressed to the Importer.
- (b) The second set, setting out the details as in (a) above and in addition showing commission to Agents in India, the net sales price after deducting Agents commission in India. In cases where no agents' commissions are involved, the invoice must be accompanied by a certificate in form specifically prescribed by AID, Washington for the purpose. (The U.S. Banker will make payment of the net amount shown in these invoices). This set should be prominently marked "For AID and Govt. of India". A certificate should also be recorded on this set of invoice by the U.S. supplier to the effect that apart from the commission to Agents in India deducted from the invoice value, no other commission is involved.

The certificate required under sub-para 'c' in Annexure V are to be attached only with the second set of invoices and not with the invoices contract in the sealed envelope. In case of Public Sector Firms/Govt. Importers only the second set of invoice as detailed in (b) should be preferred.

After payment, one set of documents containing this invoice along with the Treasury challan in original should be forwarded to the Iron & Steel Controller, D.C. Cell Section, 33, Netaji Subhas Road, Calcutta (Indian Banks handling the invoices must carefully follow the instructions to ensure the payments are correctly made to agents in India).

(c) Ensure that letters of credit clearly indicate that agents commission, other than commissions to agents in India paid by U.S. suppliers, should conform to the provisions of the letter of commitment and AID regulation No. I.

Clause IX : Payment against Import Licences, Letter of Commitment Procedure.

Substitute the following for the existing clause

No remittance of foreign exchange will be allowed from India in respect of Import Licences issued under the Letter of Commitment Procedure. The U.S. suppliers

will be paid directly by the designated U.S. Banks against letters of Commitments opened in their favour by the Agency for International Development, Department of State, Washington on submission of the documents detailed in Annexure VII.

The licensee should before finalizing contracts or placing orders with the foreign suppliers, ensure that the procedure laid down in the various clauses [particularly clauses (II) to (VII) above] has been fully complied with. Thereafter, but not later than three weeks from the date of placement of orders, the licensee should apply to the Iron & Steel Controller, Calcutta-1, DLF Credit Cell, for a separate and express authorization for opening a commercial Letter of Credit. The application should be in the form in Annexure IV and should be accompanied by a Bank Guarantee, in the form in Annexure V, obtained from an authorised dealer in foreign exchange in India. The Bank Guarantee should be for the full value of the import licence plus one per cent thereof. The Bank Guarantee should be executed on a non-judicial stamp paper, the value of the stamp being adjudicated by the Collector in accordance with the provisions of Section 31 of the Stamp Act, 1899.

If the application is found in order, the Iron & Steel Controller, Calcutta, will communicate their authorisation for the requisite amount to the licensee and the Indian Bank concerned indicating, *inter alia*, the Letter of Commitment number opened by Aid and the conditions thereof as well as the name of the U.S. Bank with whom Letter of Credit in favour of U.S. suppliers should be opened. Iron & Steel Controller will also advise the U.S. Bank concerned suitably. The letter of credit on the specified U.S. Bank should be opened within three weeks from the date of issue of authorisation for the full value thereof under intimation to the Iron & Steel Controller, DLF Credit Cell; Calcutta-1, failing which the authorisation will lapse, and the licensee will have to make a fresh application giving full justification as to why the letter of Credit was not opened within the specified time limit. The Letter of Credit opened by the Indian Bank on the designated U.S. Bank against the Letter of Commitment of AID should detail the conditions to which the licence is subject and call for the submission of documents detailed in annexure VII.

The letter of Credit should also specify the provisions of Clause (VII) regarding commission to Agents in India for the guidance of the supplier in preparing the invoices. The U.S. Banker should be clearly instructed to make payment of the net amount only as shown in the invoice mentioned at clause (VII) above. In his contract with U.S. Suppliers, the licensee should also indicate that the documents detailed above have to be submitted by the U.S. suppliers. He should also keep in view the provisions of clause (VII) above.
